MIGUEL MACHUCA

JUNIOR FULL-STACK WEB DEVELOPER

PROFESSIONAL PROFILE

I am a passionate professional about the fascinating world of technology, seeking new challenges. With a solid experience as a chef, I have developed skills that I can successfully transfer to the field of programming, such as attention to detail, problem-solving, teamwork, and leadership. I am excited to combine my passion for technology with my culinary skills.

HOBBIES

In my free time, I enjoy fishing for its tranquility and connection with nature. I'm passionate about rock music, finding inspiration and energy in its rhythms and lyrics. Additionally, I take pleasure in partaking in board games, which not only stimulate my mind but also provide enjoyable moments in the company of friends and family.
